

DIGITAL AGENDA FOR EUROPE

GOING LOCAL 2011 PORTUGAL
DECEMBER 12, 2011 PORTO

The going local activity of the Digital Agenda for Europe (DAE) is an important communication mechanism between the European Commission and the Member States.

Don't miss this opportunity to contribute to the identification of both the areas with strong potential where Portugal can contribute to the DAE and also the gaps and barriers to be overcome to ensure the best coordination of policies and actions taken at National and European Levels.

The DAE-PT European Commission team, from the DG INFSO, will be headed by Mr. Mario Campolargo.

The Porto event is coordinated by the University of Porto (U.Porto), involving the University of Aveiro.

PROGRAM

09:30 – 11:00 **Opening Plenary**
