

# November 2006 Voting Equipment Usage by County

Alaska does not have counties.  
Accuvote system is used statewide.

Equipment expected to be used in the November 2006 election as reported by state election officials. The map shows equipment used at polling places, not necessarily absentee or disabled balloting.

	Percent of Counties	Percent of Registered Voters
<span style="color: red;">■</span> Punchcard	.4%	.2%
<span style="color: cyan;">■</span> Lever	2.0%	6.8%
<span style="color: orange;">■</span> Paper	1.8%	.2%
<span style="color: green;">■</span> Optical	56.2%	48.9%
<span style="color: purple;">■</span> Electronic	36.6%	38.3%
<span style="color: yellow;">■</span> Mixed Systems	3.0%	5.5%
